

## About Faculty of Science

The Faculty of Science is an important constituent college of the University, making it an educational institution with a diverse and thriving community of students. The Faculty of Science is continuously enriching its identity. The Faculty of Science was established in the year 2016 at Manikya Lal Verma Shramjeevi College Campus with vision of empowering youth especially deprived classes to carry forward the imprints and benefits of education to their native place and at large in society. The mission of the Faculty of Science is to empower youth by teaching, learning, research and extension activities. At present the Faculty of Science, is running undergraduate, post graduate and Ph. D. courses in various streams such as Botany, Biotechnology, Chemistry, Computer Science, Physics, Mathematics, Bioinformatics, Statistics and Zoology.

## Faculty of Science

### Courses Offered

Bachelor of Science	BCZ	Botany, Chemistry, Zoology
	BCBt.	Botany, Chemistry, Biotechnology
	PCM	Physics, Chemistry, Mathematics
	PMC	Physics, Mathematics, Computer Science
	PMS	Physics, Mathematics, Statistics
Master of Science	Chemistry	Inorganic Chemistry, Organic Chemistry, Physical Chemistry & Industrial Chemistry
	Mathematics	
	Physics	
	Botany	
	Zoology	
	Biotechnology	
	Environmental Science	

### Departments -

S. No.	Name of Department		
1.	Department of Chemistry		
2.	Department of Mathematics		
3.	Department of Physics		
4.	Department of Botany		
5.	Department of Zoology		
6.	Department of Computer Science		
7.	Department of Biotechnology		
8.	Department of Environmental Science
